## SEYMOUR HEALTH ONCOLOGY REFERRALS

### **\*Upon clinical cancer diagnosis**

The Seymour Health Cancer Service offers outpatient management of cancer patients including medical oncologist consultation, chemotherapy, hormonal therapy, targeted therapy, immunotherapy as well as supportive care.

Access to other visiting specialists at GV Health Oncology Department is available, and includes radiation oncologists, haematologists and palliative care physicians.

Seymour Health also caters for inpatient admissions as required in accordance with patient treatments that can be administered locally.
